

Life support information is needed

We are concerned about our members who depend on respirators, dialysis machines and other life support equipment. This information is important to us, because when storms interrupt service, our linemen must have immediate access to this information. Service must be restored to these members first – and quickly.

If you, or any member of your family, depends on equipment of this type, please fill out the form below and return it to our office as quickly as possible.
